

DEPARTMENT OF ADMINISTRATIVE SERVICES

**Grant Commitment Notification
General Assembly Authorization of School Construction Priority List Projects**

Grant Recipient: Brookfield

Legislative Reference: Public Act 20-8 September Special Session

Effective Date: October 2, 2020

State School Construction Project:

Reimbursement rate: 21.43 percent

<u>Project No.</u>	<u>Facility</u>
20DASY018056N1020	New Elementary School

The State of Connecticut authorized a grant to your school district for the project listed above and at the reimbursement rate indicated. The authorization for grant commitment and payment is contingent upon compliance with all statutory, regulatory and school construction procedures and policies. **The grant commitment is further subject to plan approval.**

Pursuant to Public Act 19-1, all school building committees must have a member with experience in construction.

The State will pay its share of eligible project costs through progress payments during the life of the project. **The State share will be the reimbursement rate specified above multiplied by project costs adjusted for ineligible and limited eligible project components, state standard space specifications, bonus reimbursement rates, and standards for site eligibility where necessary.**

Pursuant to Section 10-282(9) of the Connecticut General Statutes, construction must begin on or before October 2, 2022.

School construction projects may not go out to bid until the Department of Administrative Services/Office of School Construction Grants and Review has provided the district with written plan approval by the Director. Local authorities in the jurisdiction must also review and approve all final plans and specifications. If you have not already done so, you should contact the Department of Administrative Services/OSCG&R at (860) 713-6490 to schedule the plan review meeting.

Please note that the school construction grant guidelines, as well as all grant forms and instructions, are available through the Department of Administrative Services' Website at <http://www.das.ct.gov> (refer to the "School Construction" link).

Should you have any questions, please contact me at (860) 713-6467.
